Parameter	Value
Optical rotation	0.01° - 10°
Refractive index	from 1.465 to 1.479
Relative density at 20°C	from 0.905 to 0.915
Flash point	45 °C
Storage recommendations	Store closed in a cool, dark place. Check quality before use.

Additional Information

All details are based on our current state of knowledge and are not transferable to other products. They do not constitute a warranty or guarantee of specific properties or suitability for particular applications. Each use of our supplied products must be tested in the respective application and checked for any existing property rights. Color and form of the product may slightly vary within a production batch due to the manufacturing process.
